

## **Requested NIMA DNC Direct Read Information**

Presenters are requested to specifically address applicable questions below:

- What is status of DNC Test Data Set (DTDS)? What organizations have been provided the DTDS to support development?
- What organizations have completed NIMA provided direct read testing? What issues remain open?
- Are there any requirements in OPNAVINST 9420.2 that need amplification or clarification? If so, have those requirements been identified to N096BN?
